### Your Parkinson's disease care team

Support is available at every stage of your VYALEV treatment journey

#### **Prescribing specialist\***

- Your prescribing doctor
- Main point of contact for any questions regarding Parkinson's disease (PD) symptoms, disease progression and treatment decisions
- Responsible for your overall care and management of your condition

\*This could be a neurologist, movement disorder specialist or geriatrician

#### Parkinson's clinic nurse\*

- Works alongside your prescribing specialist to manage your PD symptoms and treatment plan
- Provides medical advice to support your overall wellbeing

\*Not all clinics have a PD nurse

- A team of nurses accessible through AbbVie Care to complement the care of your prescribing specialist
- Help you get started on your treatment and available to support you with any questions related to AbbVie medication and delivery system\*

\*No medical advice.

#### Allied health professionals

- Include a pharmacist, physiotherapist, occupational therapist, speech therapist, dietitian, social worker and psychologist
- Help you manage your PD-related symptoms and other aspects of living with PD

- Include your significant other, family members, friends and carers
- Help and support you with your day-to-day routine

## Your treatment process

#### Touchpoints throughout your VYALEV treatment journey

Before starting treatment

**Treatment** education

**Optimisation** 

**Maintenance** 

# Prescribing specialist

- Discusses your condition and treatment plan
- Writes your prescription and enrols you in AbbVie Care

### AbbVie Care nurse consultant

- Complements the education provided by your prescribing specialist by offering a comprehensive overview and demonstration of your AbbVie medication and its delivery system
- This education is offered to you and your caregiver(s)

## Prescribing specialist\*

- Ensures you have your optimal dose of medication prescribed
- \*An AbbVie Care nurse consultant may be involved in the optimisation of your AbbVie medication, working alongside your prescribing specialist

### AbbVie Care nurse consultant

 Available to support you with the management of your AbbVie medication and delivery system

## Prescribing specialist & PD clinic nurse

 Primary care team that is responsible for your symptom management and treatment plan

## Allied health professionals

 Support you with necessary and ongoing care

Speak to your prescribing specialist if you have any questions about your condition and/or your treatment. For additional resources to support you on your VYALEV treatment journey, call AbbVie Care on 1800 230 608.

AbbVie is committed to environmental sustainability and has chosen to print on EcoStar. EcoStar is manufactured with 100% recycled post-consumer waste and is made carbon neutral. EcoStar is both FSC® and ISO 14001 Certified. This has been printed by a Forest Stewardship Council® (FSC®) chain of custody certified printer.
